

2021-22

# Annual Report

## YK-LIBRA: Growing with Confidence

Yawan Kissan Library for Information & Broadcasting Resource Authority (YK-LIBRA) is a not-for-profit and non-political social Organization. It is established on 26th April, 1992 by the General Meeting at Anlaberani, PS- Tumusingha, Dhenkanal attended by many elite persons from different villages from Dhenkanal District. This NGO was formed according to the willingness and interest of the community people in a view to deal with the existing socio-economic problems in different villages by means of good understanding; sharing the problems with each other and to find out the best way of solving the problems through free discussion and people participation in the decision-making process. After working for few years, YK-LIBRA expanded its operation to all over Odisha and other states. The focused working areas concentrated on Agriculture, Livestock, Fishery, Poultry, Climate Resilient Agriculture, Zero Budget Agriculture, Micro enterprise and Institutional Developments like FPOs, SHGs, Farmers Clubs, Water User Groups (WUGs), FPOs, SHG Federation and Sustainable Development of rural poor in Odisha, Bihar, Tripura, Uttar Pradesh, West Bengal and Nagaland.

YK-LIBRA provides end to end Services and Solutions, directly as well on partnership basis, that caters to agriculture projects in various scope, size and resources addressing issues of livelihood Development; Farm Productivity Optimization, Climate Resilient Production System (Agriculture, Horticulture, Fisheries, Goatery, Poultry, Dairy) and Micro-enterprise development in non-farm sector. YK-LIBRA implements innovative agriculture projects for Governments, Multi-Lateral Funding Agencies and CSR of Corporates, cutting across diverse crops and climate zones.

## Vision

YK-LIBRA visualized a society with sustained livelihoods, socio-economically self-reliant society who are conscious about healthy environment, basic rights and human dignity.

## Mission

To create 5 lakh sustainable livelihoods through community institutions along with value chain services in agriculture, agri-allied and non-farm sectors with focusing on self-empowerment, eco-friendly cultural practices and safety health measures by the year 2027.

## Aims & Objectives

- ☞ To aware the rural farmers on scientific Agriculture in field crops, horticulture crops, high value agriculture, and Agri-allied activities in fisheries, poultry, dairy, goat rearing, apiculture and Integrated Farming System.

- ☞ To establish manageable Training Centres for Community Development Training for various level of people.
- ☞ To co-operate and assist in suitable joint venture with the Governmental Organizations and other Corporate or Private agencies seeking the goal of redressing poverty and improving Socio-economic status and sustainable livelihoods of the rural poor people.

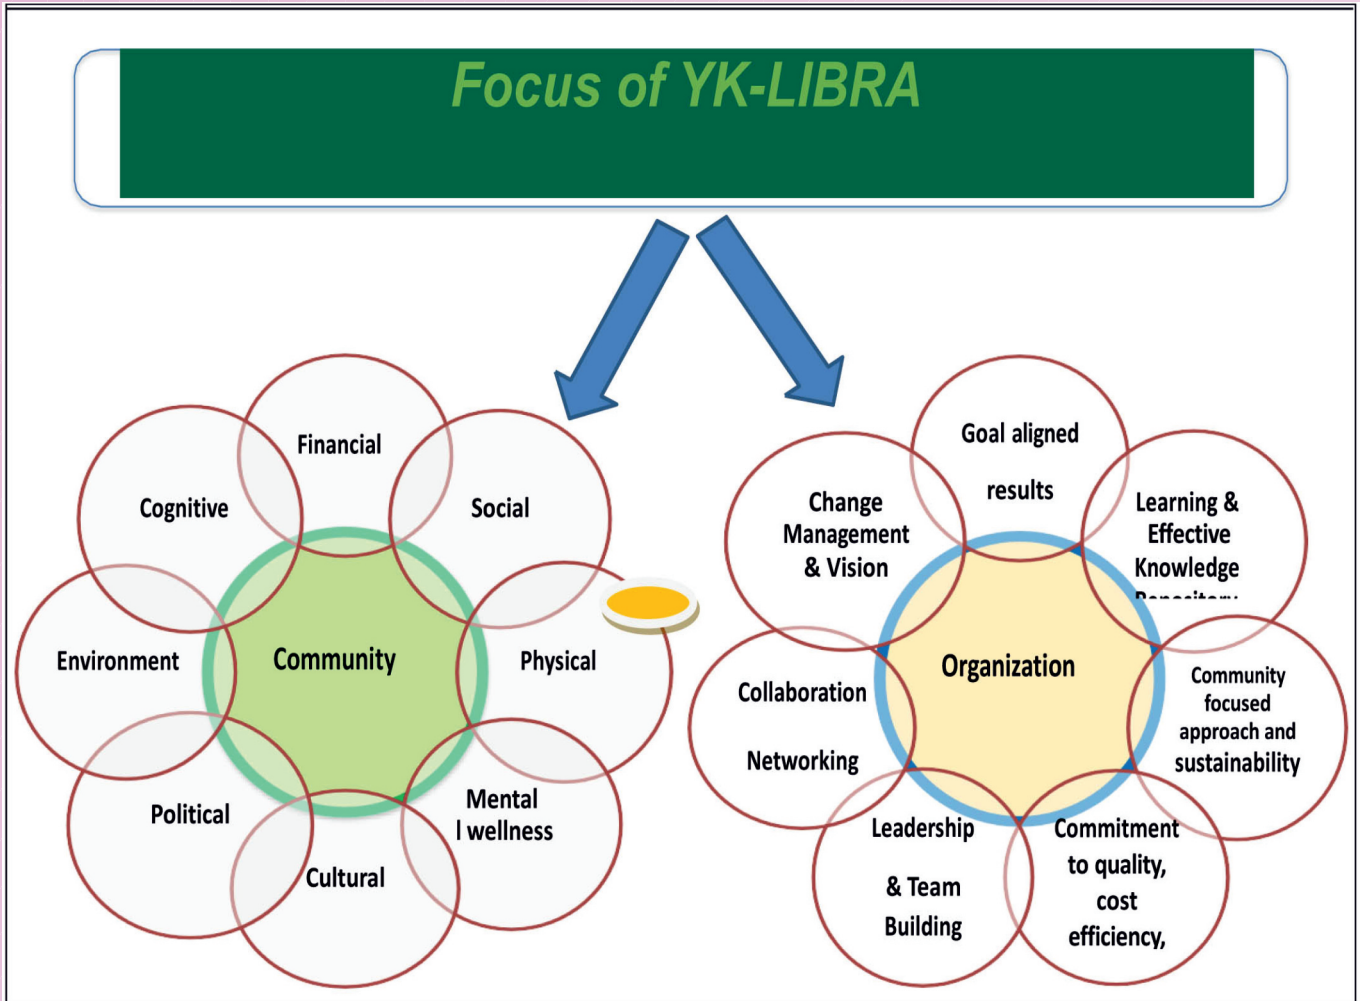

- ☞ Women empowerment through organizing, mobilizing, developing capacity and skills and creating provision of inclusion in decision making process in family and community enabling them to become economically and socially independent.
- ☞ To sensitize and create awareness among the people of poorest of the poor on prevailing socio-economic situation and encourage them for active participation in socio-economic development program.
- ☞ To undertake suitable projects and programs with special emphasis on Primary Health Care/Family Planning & Family Welfare / Comprehensive Rural Development/Preservation of environment.
- ☞ To print or publish periodical magazines, books, pamphlets, leaflets or booklets desirable or helpful in the promotion of its objects.
- ☞ To plan and execute Development, Relief and Rehabilitation programs
- ☞ To establish, run and support Health Care Centre, Clinic, Technical Training Centre, Schools, to provide grant, stipend and scholarship for higher studies at home and abroad and to do all such other things as may be beneficial for the community.
- ☞ Ensure cost effective community-based affordable and easy access health services especially for women and children (Primary health, antenatal and postnatal).
- ☞ Protection and preservation of culture, language and tradition of tribal indigenous people. To seek and receive subscriptions, donations and other supports from persons, institutions or Organizations both from home and abroad and use the same for the purposes to fulfil the mission of the Organization.

## Our Core Value

The core values of the community are -

- (a) Community and Field focus
- (b) Integrity
- (c) Equality and democratic values
- (d) Excellency
- (e) Compassion & Commitment
- (f) Team work
- (g) Innovation
- (h) Sustainability

# Approach followed

## From the secretary's Desk.....

It is my pleasure to introduce the annual report for the year 2021-22 for our esteemed NGO. Over the past years, we have continued to work tirelessly towards our mission of creating better world for all. YK-LIBRA's commitment to reduce poverty and empowering women and marginalized communities motivates us for developing innovative solutions and working towards their impact at scale. Keeping this commitment at the core of our work, we embarked on a transformational path delivering breakthrough innovations, operational efficiency, and cross-sector collaborations in the last year.

It gives me immense pleasure to see YK-LIBRA is increasing its ability to handle different projects. As we can see that things are being in change in the macro environment of the organizations working in the field of social development, the change has a direct bearing on their functioning and output

By working in close partnership with governments, development partners, civil society organizations and communities, we drove impact focussed innovations and enabled their scaling up. YK- LIBRA has completed 30 years of its work in Odisha and outside Odisha in partnership with many organizations.

I would like to take this opportunity to express my sincere gratitude to all my staffs, volunteers and management members for their tireless effort and commitment to creating a more just and equitable world.

I would also like to thank our partners and well-wishers for their continuous support and belief in our work and also their contribution has provided our work the much-needed reinforcement. We whole heartedly laud their valuable support.

With all the best wishes,

**Jambeswar Biswal**  
Secretary, YK-LIBRA

### **Agricultural Development Services**

In 6 number of states covering 12 number of districts and 7,000 number of HHs in agricultural development work was made.

System of Rice Intensification: Line transplanting of Paddy for productivity Enhancement, Machine Transplanter to tackle labor problem.

Organic Farming and mushroom cultivation were major activities made this year.

Scientific Fisheries and Bio-floc are promoted providing training and linking the farmers with the line departments.

### Marketing Support Services

The implementing team made all their efforts to make financial products and services accessible and affordable to all individuals

30 number of finished products from 23 FPOs were made accessible in affordable price in 6 number of states.

### Financial Inclusion Services

11 FPOs and 7 SHGs were linked with banks to fulfill the credit requirement of these institutions. Besides, NBFCs were introduced with FPOs to cater the short-term credit requirement.

### Natural Resource Management

(including organic practices and renewable energy)

Initiative was taken by the organization for proper management of land, water soil, plants and animals for better quality of life. This year in 6 number blocks covering 900 HHs were covered under organic practices. Progressive work was also made on renewable energy like solar energy.

### Preventive health & nutrition (including WASH)

This year active initiative was taken to address better nutrition, water sanitation and hygiene in our implementing areas through WASH program.

In 2 number of States in 3 number of Districts covering 12 number of Blocks and 3,000 number of HHs under WASH program was commences to address the health aspects. Low-cost toilets were introduced and people were sensitized to use toilets.

### Women, Rights & Entitlement

In order to free women from domestic violence, YK-LIBRA since its inception has promoted SHGs and facilitated various training, business plan development to women SHGs on vegetable cultivation, goat rearing and poultry etc. Through various need-based program focus has been made to empower women and turn them as successful entrepreneurs in various sustainable livelihood income generating activities so that they can be empowered.

## Disaster Management and Climate change

This initiative is to provide opportunities for the local community to evaluate their own situation based on their own experiences initially. During the planning process, the local communities became part of creating plans and decisions and also prepared to how to come into action during disaster time.

Organization has also addressed climate change effect through various need-based program organization tries to rehabilitate the degraded land to increase the crop intensity.

## Action Research & Studies

Action Research and Studies are conducted to make necessary customization of the methodology as per the requirement of the local situation.

Action research is conducted in back yard poultry to develop local specific package of practices. Similarly a number of interventions are incorporated while development of package of practices of SRI.

## Social Awareness

YK-Libra with the support of district administration of various operation areas, has done social awareness program on COVID-19. Uses of mask, sanitization of hands, social distancing etc were ensure at community level.

Steps taken to bridge the information gap about the rights and entitlement that is there for the people. Need-based sensitization meetings in village level were also duly made.

*Campaign on alcohol free village, Swacha Bharat Abhijan and Gender equality were some highlighted activities done this year in Odisha, West Bengal and Tripura.*
